## DETAILED ACTION

### *Drawings*

1. The following changes to the drawings have been approved by the examiner and agreed upon by applicant: A new figure should be included which discloses the plurality of ribs in cross section forming a cross. In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.

## REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: After a review of the prior art of record, it is believed that the present invention is novel and non-obvious wherein no reference discloses a drain hose including first and second ends, the hose also including at least one bellows that is able to form a permanent bend when a temporary bending force is applied thereto and a flexible corrugated portion connected between the first and second cylindrical end portions, and further including an elastic connection member integrally molded to the second end, wherein the second end portion includes at least one annular ring which engages the elastic connection member, with the elastic connection member including a plurality of ribs, the cross-section of the ribs forming a cross.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
